

Sebastian Perez | Frontend Developer

Argentina, BS AS | sebastian.perez.jobs@gmail.com / <https://github.com/SebaPerez90>
<https://www.linkedin.com/in/sebaperez90> | <https://sebaperez-portfolio-v2.vercel.app>

With more than two years of experience as a software developer. As a frontend developer, I focus on every detail to deliver attractive, intuitive, and functional solutions. I am a versatile professional, which also allows me to perform as a backend developer, delivering even more secure and robust solutions.

Technical Skills:

Frontend:

- **React.js** | **Next.js** | **JavaScript** | **TypeScript** | **HTML** | **CSS** | **TailwindCSS**

Backend:

- **Node.js** | **Express.js** | **NestJS** | **PostgreSQL** | **MongoDB** | **Docker** | **Cloudinary**

Tools:

- **Git** | **GitHub** | **Postman** | **Swagger** | **Jira** | **SCRUM** | **Insomnia**
